Benneydale School Leaders

We are very proud to introduce our Head boy and Girl who are leading Benneydale School. It is a small rural school of 30 students. These student leaders were selected by their peers and teachers as they embody and exemplify our CARE school values: Community, Aroha, Respect, and Excellence. We look forward to seeing them lead, and grow and pave the way for our future leaders.

As head boy I am proud of Benneydale School and want to represent the school in the best way possible. I will do this by setting good examples of leadership and openness to make our school life enjoyable.
